

## 2015 Retailer Guide (terms & conditions)

Slanovskiy supports in first priority our retailers so that you can work happily with our product. As a company we are supporting the repeat order business. We feel strongly that a close working relationship between manufacturer and the retailers is the best way into a successful future. We are in the bridal business together, and we can only exist if our customers are profitable.

### Product

---

The Slanovskiy 2015 range consist of 200 designs & 3 lines: Carla Sposa, Medici & Slanovskiy. The dresses are made in Ukraine, in one of the best factory well known for their excellent eye for quality and fitting. Best running styles are recommended to be kept as a sample.

### Design

---

The Slanovskiy design team is formed by several designers from all around Europe. During the season we gather ideas and sketches from all the World market. These ideas are all collected and being send to our design unit that's transformed it into collections.

## Special orders

---

Extra, or less skirt length is often possible, but not for all styles. For requests about a shorter or longer skirt pro style please contact our customer service. All our dresses have enough room in the seam to down or upsize one size.

**Surcharge for extra or less skirt length is can be from free to 10%**

## Plus sizes

---

Slanovskiy does charge extra for plus sizes. Our regular size chart goes from 40 - 48 Ukraine (8 - 18 UK or 6 - 16 US).

**Surcharge for size over manufacture size 50 is 10%**

**Surcharge for size over manufacture size 60 is 20%**

## Shipping costs

---

Slanovskiy usually uses EMS as our delivery company. All shipments can be traced online, and deliveries have to be signed by consignee. In order to keep to shipping costs as low as possible, we will combine as much as possible dresses for one customer. Actual shipping costs will be specified on Slanovskiy invoice. All prices are not excluding shipping charges.

## Promotion

---

### Social media

We use Social Media to get in touch with brides and stores and try to promote our brand and our retailers as much as we can. Facebook and etc. are all mediums that we use, like and promote us online so we can stay in contact and do the same for you.

### Real brides

We would love to receive pictures from real brides wearing our designs, if you have images to share please send them including the bride information (date/name) to [info@slanovskiy.com](mailto:info@slanovskiy.com). It will give your store extra publicity and gives us a chance to show our designs worn by real woman and styled by professionals.

For all your requests on marketing, promotion, logo's or images please contact us at [info@slanovskiy.com](mailto:info@slanovskiy.com)

## Website

---

On our website [www.slanovskiy.com](http://www.slanovskiy.com) we have a two important goals, inform a bride about our collection and get them to a Slanovskiy retailer as soon as we can! If you have any great ideas for our website we would love to hear about them!
